Susan Renz So wrong! Pink is to support breast cancer research and survivors!

These women don't represent me and I am ashamed of them using breast CA  
pink.

Jeanna Jackson Apparently 20-30 fa's were pulled from trips to attend this  
protest with Audrey and the Working Women's committee, Jessica Parker. Yes  
it was paid for with our dues...smh

Martha Wells I can't even be shocked by her anymore. I'm now  
expecting this behavior.

unbelievably and we paid for it...

Like · Reply · 2 · January 22 at 7:27pm

Shelley Shannon They were paid to go to the woman's march?? How  
about they go out and work these 13-16 hour duty days with 10 hour  
over nights that happen every trip! I'll be happy to go to a March, get  
adequate rest and not come home sick from long days and no sleep  
😞

SOOOOO TIRED of this CRAP from TWU and 556!

- Shelley Shannon** So if a FA is called in for any kind of fact finding meeting.. and we are suppose to take Union Rep.. how do we know the Union Rep is there for our best interests?

- Sharon Steward** From what I hear they never say much during the findings. I would act as my own attorney with research and facts.

- Michelle Colby** The flight attendants should not be showing their political views on the plane. They should have been disciplined.
